Dear Parents of Second Graders,

Celebrating a Sacrament is an important step in the life of your child as a Roman Catholic Christian. To make these celebrations joyful and successful, the following dates and times have been set for formation. Early preparation allows the families to take the time necessary to plan and organize their calendars to alleviate any potential conflicts and to help to make another great year of Sacramental celebrations.

MARK YOUR CALENDARS!

One or both parents need to attend the Parent Meetings for the Sacraments. All our youth preparing for the Sacraments must have also participated in formal religious education for the past two years at St. Mary of the Woods School, Parish Religious Education Program, or an approved home school program. A wonderful gift is given to us through Jesus Christ our Lord. We look forward to working with our youth and their families.
